

our ref: Tel. No.: +49-621-5709-6213

Ludwigshafen, 09.01.2017

Dear Sirs,

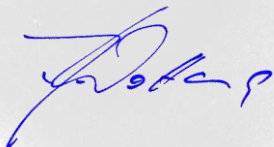

according to your request we are going to inform you about the products of the Worbla's® Art Series:

According to the German Standard we do not use AZO-dyestuff. This can also be confirmed for products which have been delivered from us in former times.

The materials delivered from us contain no unhealthy substances and we use no raw material which contains Mono-, Di-, Tributyltin, CFC (chloro fluoro carbons), nitrogenous compounds, Formaldehyde and its derivatives, Nickel, Heavy Metals, Chromium (VI) or aromatic amines.

Our materials contain no PCP (Pentachlorophenol) according German Law "Chemikalienverbotsverordnung" dated 13.06.2013 and no asbestos.

Best regards

A handwritten signature in blue ink, appearing to read 'Jörg Wottawa'.
